

Schedule 3 - Performance Evaluation Policy

The Board will aim to arrange regular performance evaluation of the Board, its Committees (if any) and its individual Directors on an annual basis. To assist in this process an independent advisor may be used.

The review will include:

- (a) comparing the performance of the Board with the requirements of its Charter;
- (b) examination of the Board's interaction with management;
- (c) the nature of information provided to the Board by management; and
- (d) management's performance in assisting the Board to meet its objectives.

A similar review will be conducted for each Committee (if any) by the Board with the aim of assessing the performance of each Committee and identifying areas where improvements can be made.

The Board will oversee the performance evaluation of the executive team. This evaluation is based on specific criteria, including the business performance of the Company and its subsidiaries, whether strategic objectives are being achieved and the development of management and personnel.

The Company will disclose whether a performance evaluation was undertaken in each reporting period in accordance with the process outlined above.
